

June 26, 1940

The Executive Board of the N. J. Urban League held its regular evening conference meeting at the home of the Executive Secretary with the President in the chair and 16 members and 6 visitors present.

Miss Shepard had sent \$50.00 to be used by the House Com. This has been placed in the Emergency Fund.

Mrs. Goldfarb had sent the League \$20.00. This was prompted by her son's safe return from military duty overseas.

Mr. Arnold reported on the meeting of the Trustees held on June 19<sup>th</sup>, ~~and~~ submitting two recommendations:

(Please copy)

Motion by Dr. Levy seconded by Mrs. Savoy and carried that the recommendation of the Trustees be accepted.

Mr. Lett commented briefly on his new work under Mr. Buntard. The work is two fold; 1) Education, 2) Enforcement. Mr. Lett's work will be mainly in the realm of conciliation and mediation. There will be field workers for investigating and fact finding. Cases will go before the grand jury. The Council of 7 members may be a mediation Board. There will be Regional Councils. The law as it ~~now~~ stands has many loopholes. Mr. Lett feels at this time that maybe not more than 10% of employers will need to be forced to obey the law.

Mr. Lett again called attention to the fact that the League needs stated

Personnel policies. The present committee  
reviewed the statements found in  
the Nat'l Bulletin; Mr. Lett  
expressed himself as being willing  
to make recommendations to help the  
com.

Mrs. Savoy made the following  
statements concerning the Urban League  
Guild: Only three invitations were  
sent out for the first meeting. 22  
responded. There are 22 memberships.  
We may be contributing members.  
Program, membership and by-laws com.  
have been appointed. The group and  
inter-racial one - hopes to have a program  
set up by fall.

Following the announcement that  
Mrs. Moorfield was seriously ill at the  
home of her daughter Mrs. Stannom  
motion was made by Mrs. Savoy seconded  
by Mr. Arnold and carried that a letter  
and flowers be sent Mrs. Moorfield.

There being no further business  
the meeting was adjourned and  
a social hour with refreshments  
followed.

Respectfully submitted,
